How it works

- Each user or operator downloads the app from either Apple or Android stores onto a smart mobile device
- An admin account can add an unlimited number of users
- Future iterations can include an API direct to customer's network
- Admin account can add, assign and modify an unlimited amount of custom checklists
- Reports are available in real-time
- Reports automatically highlight any areas of concern.

What you need to know

- Your Konecranes.com credentials are required to access reports
- Admin user can add and customize checklists
- Use of the app requires a subscription fee per asset.

Ports. Evolved.

Konecranes is a global leader in material handling solutions, serving a broad range of customers across multiple industries. We consistently set the industry benchmark, from everyday improvements to the breakthroughs at moments that matter most, because we know we can always find a safer, more productive and sustainable way. That's why, with around 16,600 professionals in over 50 countries, Konecranes is trusted every day to lift, handle and move what the world needs. In 2023, Group sales totalled EUR 4.0 billion. Konecranes shares are listed on Nasdaq Helsinki (symbol: KCR).
